**Hva gjør et rom til et hjem? Menneskene som bor der, selvfølgelig. Pluss slik de er møblert. Fra den minste detalj til den konsistente utformingen av individuelle rom - vi har vært markedsledende innen kjøkkensegmentet, og utvikling av høykvalitetsmøbler som oppfyller kravene til stor individuell planlegging i flere tiår. For oss, gir dette den ideelle forutsetningen for å demonstrere vår planleggingskompetanse og høye standarder av kvalitet og brukervennlighet. inkludert da også på bad og oppholdsrom. Og vi gjør det med stor suksess!
Resultatet: Vi kombinerer kjøkken, stue og spisestue til ett boareal på en helhetlig måte. For ditt individuelle hjem!**

What turns rooms into a home? The people who live there, of course. Plus the way they furnish them. From the smallest detail to the consistent design of the individual rooms – as a market leader in the fitted kitchen sector, we have been developing high-quality system furniture that meets high individual planning standards for decades. For us, this is the ideal prerequisite for demonstrating our planning expertise and our high standards of quality and usability, including in bathroom and living areas. And we do it with great success! The result: we combine kitchen, living and dining into one living space in a holistic way. For your individual home!

Opplev ditt hjem Experience your home

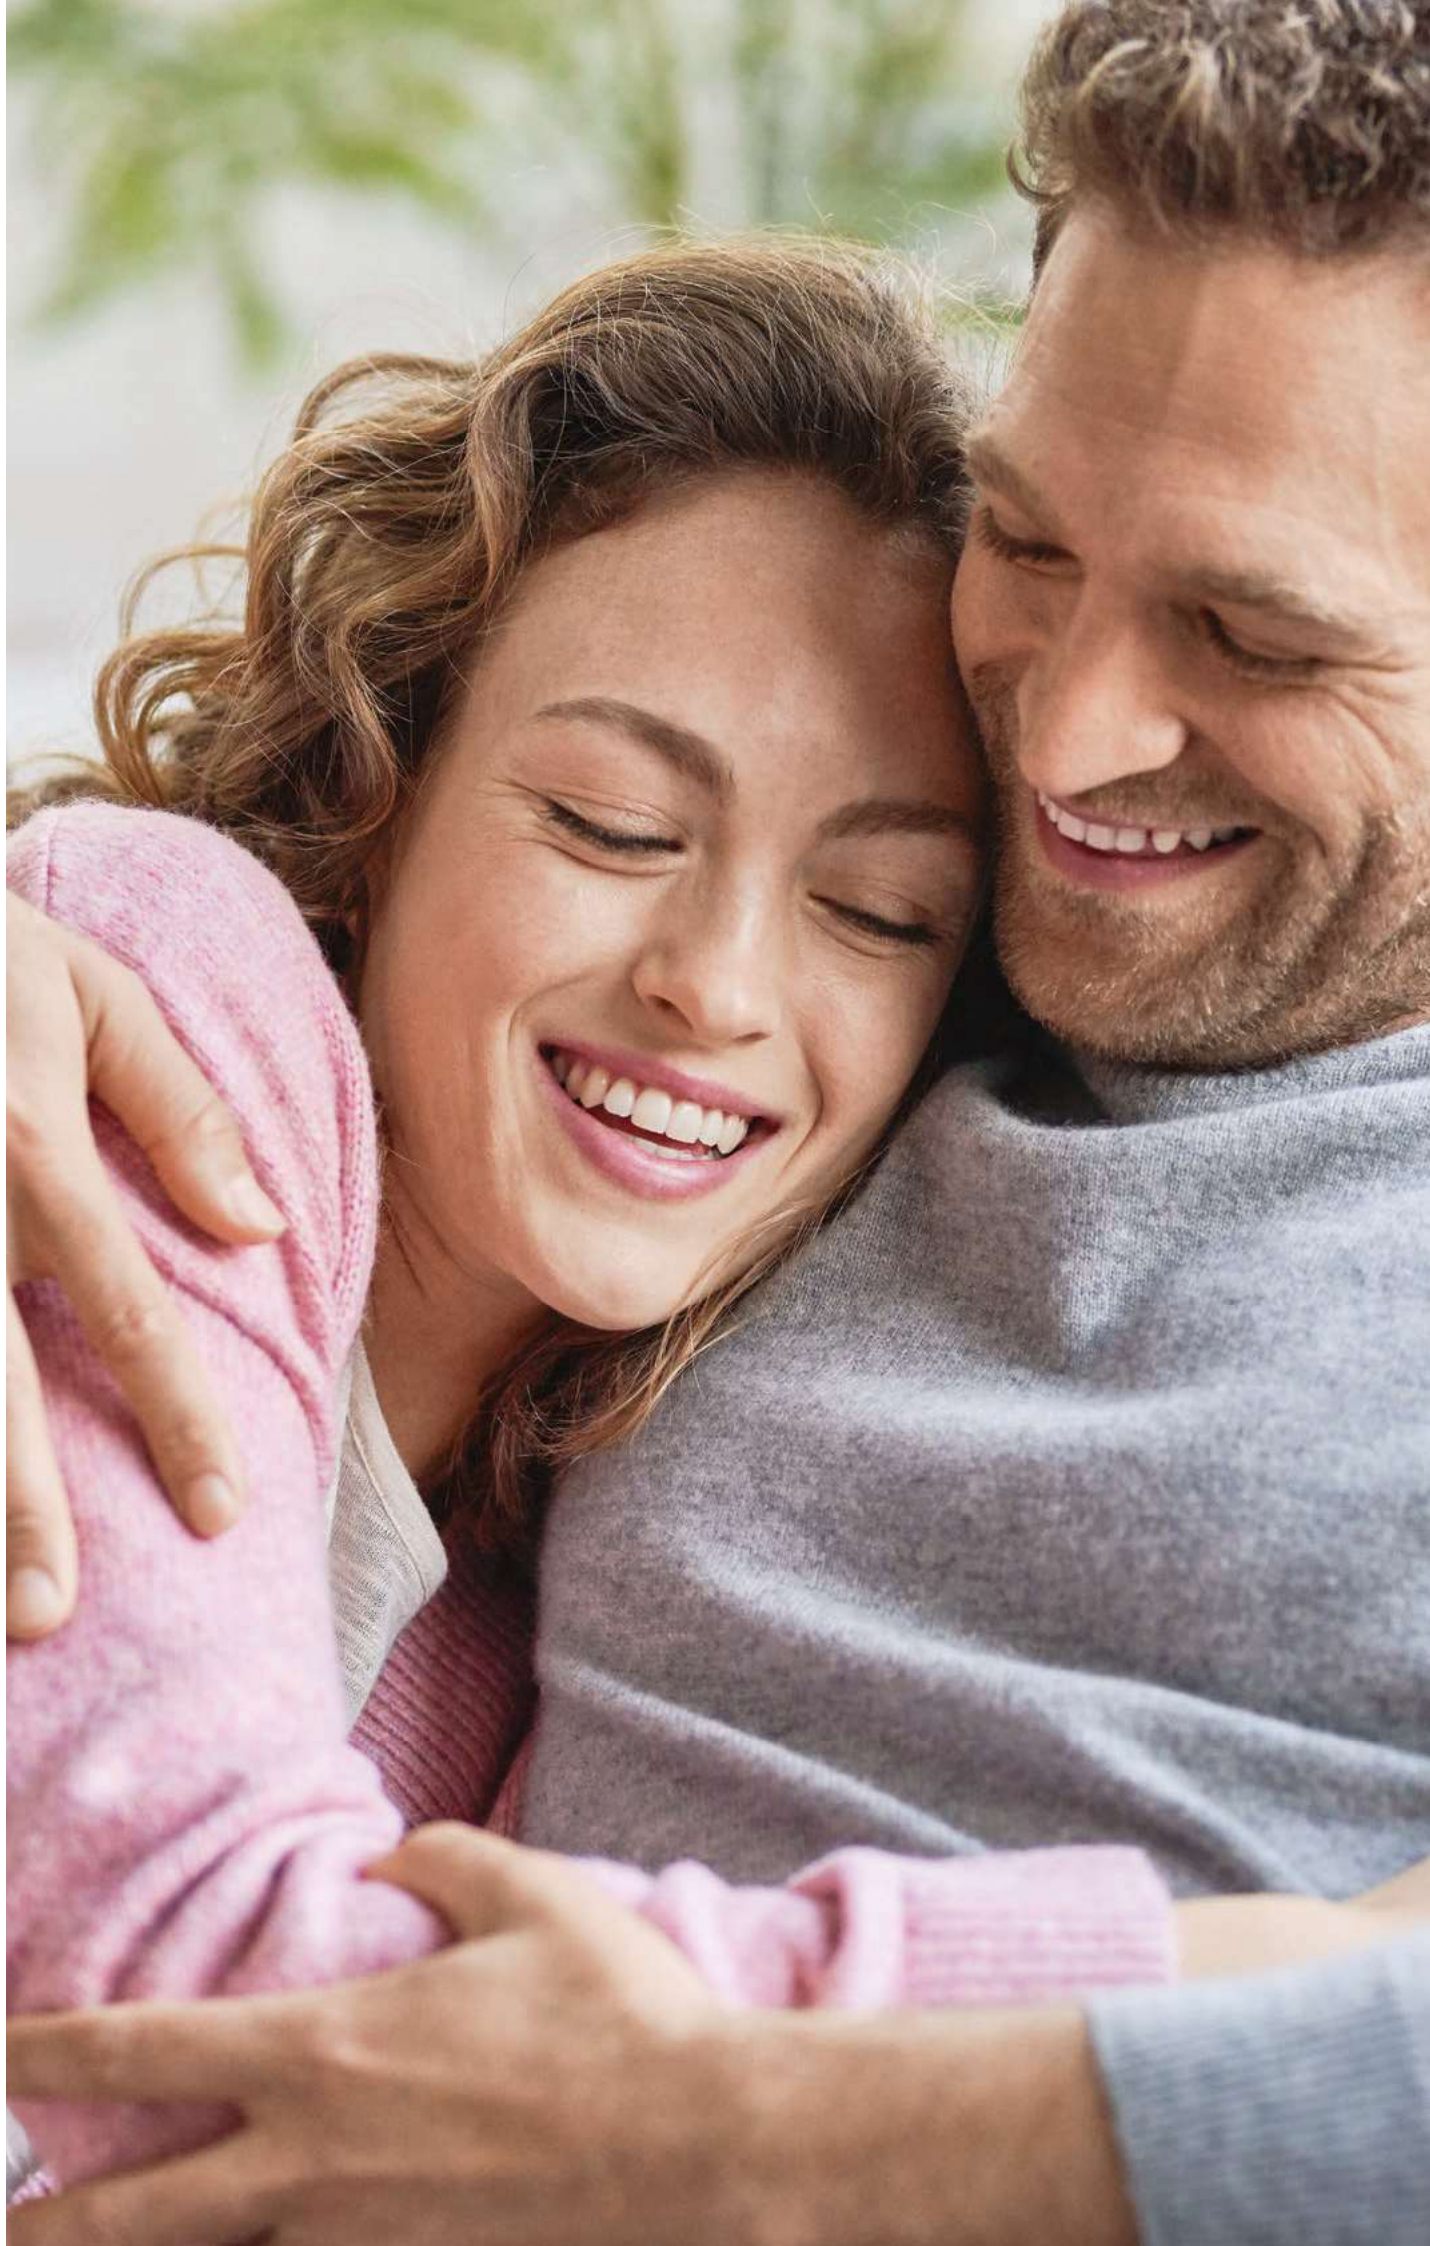

For familier er dagen alltid full av bevegelse, også hjemme. Ikke bare leker barn her, men det er her livet skjer. Så det kan bare være en god ting hvis møblene er laget for nøyaktig dette og kan takle alt som blir kastet på det dag og natt. Velkommen hjem!

For families, the day is always full of movement, even at home. Not only do children play here, but this is where life plays out. So it can only be a good thing if the furniture is made for exactly this and can cope with everything that's thrown at it day and night. Welcome home!

*Bitte beachten Sie, dass ein Distanzband für die Montage erforderlich ist, um Kollisionen zwischen der Front und den horizontal angebrachten Teilen zu vermeiden.
Please note that a spacer tape is required when planning top shelves and folding/lifting door and swivel flap units, to prevent the front contacting the top shelf.

*Bitte beachten Sie, dass ein Distanzband für die Montage erforderlich ist, um Kollisionen zwischen der Front und den horizontal angebrachten Teilen zu vermeiden.
Please note that a spacer tape is required when planning top shelves and folding/lifting door and swivel flap units, to prevent the front contacting the top shelf.

ALLES AUS EINER HAND

EVERYTHING FROM A SINGLE SOURCE

Vom Wohnzimmer über den Speiseraum bis hin zu Küche und Bad: Das flexible System und die große Auswahl an Fronten und Oberflächen machen es möglich, das Zuhause in einem Stil oder jeden Raum ganz unterschiedlich zu kreieren.

From the living room and dining room to the kitchen and bathroom: the flexible system and large selection of fronts and surfaces make it possible to decorate your home in a single style or design each room differently.

FRONTEN FRONTS

Fronten, die mit dem LINE N-Logo versehen sind, sind auch als grifflose Planungen lieferbar.
Fronts marked with the LINE N logo are also available as handleless designs.

Qualität made in Germany

Quality made in Germany

Ausgesuchte Materialien, exzellente Verarbeitung, Perfektion bis ins Detail: Unsere Möbel werden nach höchsten Qualitätskriterien entwickelt und gefertigt. Dabei produzieren wir ausschließlich am Standort Deutschland.

Bevor unsere Produkte in Serie gehen, werden alle eingesetzten Materialien in umfangreichen Testverfahren im Labor auf eine Mindestlebensdauer von 15 Jahren geprüft und durch internationale, unabhängige Institute kontrolliert und zertifiziert. Denn die Zufriedenheit unserer Kunden ist für uns der höchste Maßstab.

Selected materials, excellent workmanship, perfection right down to the finest detail: our furniture is developed and manufactured according to the highest of quality standards. Our products are made exclusively in Germany.

Before our products go into series production, all the materials used are subjected to extensive test procedures in the laboratory for a minimum service life of 15 years and inspected and certified by independent international institutes. After all, our customers' satisfaction is our benchmark.
